

Dear Planning Commission,

I have been a daycare provider in Sunnyvale for 20 years. I have had a very small turn around in my daycare. I watch infant thru school age children. I transport children from Bishop School. I usually watch children until school age unless they move out of the area. The major reason I moved to this larger house was to expand my daycare to 12 children. I am counting on this income to be able to afford this house and stay in Sunnyvale. I have lived in Sunnyvale all of my life and I am very active in this community. I am willing to work with my neighbors and resolve any issues. I have already talked to my daycare parents and asked them to only park in front of my house or in my driveway. My parents drop off and pick up times are scattered thru the day. I have already talked to my neighbors and gave them my name and number if there are any problems. At this time I watch 5 full time and 4 part time (2 are drop in care not every day). Their ages are 9 1/2 mo. to 10 years old. I have 7 cars coming & going (not every day) If I get approved for 12 children I would only have

have one more ear coming & going at this time. I already watch on parents 3 year old and she is waiting to bring her 4 mo. old in Aug, when she starts back to work. I have another parent waiting with her 3 children. They will all be coming only part time (3 days a week). Once school starts I would have 4 full time & 7 part time with 2 part time drop ins (not every day). Please grant me this permit needed to expand my daycare.

This was yesterdays schedule:

Arrive:	(ages)	Left:
8:20	Brothers Zade(1) & Zay(10)	5:15
8:35	Natalie (9 1/2 mo)	4:45
9:30	Mason (3)	5:30
10:30	Brothers Jose(5) & Jesse(3)	3:00
12:30	Heidi(10)	3:30
1:30	Taylor (10)	4:30

My family child daycare is desirable and is not materially detrimental to the public welfare or injurious to the property, improvements or uses within the immediate vicinity and within the zoning district.

This is because I have had a licensed small daycare for 19 years in Sunnyvale. My daycare is open Mon. - Fri. from 7:00AM to 6:00pm.

We are moving to a bigger house (330 Jackson St.) to open a large daycare. My husband will be my assistant. We provide a safe and loving environment for the children while their parents are at work. We also transport children to and from school at Bishop Elementary.
